Criminal Justice is a well-coordinated system of a number of institutions and practices, established by the government. The main purpose of the Criminal Justice is to maintain order in the society, to deter and mitigate crime, and its consequences, and to pose different kinds of penalties on people, who violate the laws of a country, or a state. The APA style was adopted and put into practice in 1929, when The Publication Manual was issued.

Abstract This paper explores the importance of the concept of plea bargaining to the criminal justice system. For some plea bargaining is an important and useful tool used to keep the wheels of justice moving in a timely fashion, but to others it is a slap on the wrist to offenders and a further insult to victims and their families.
