GBS can range from a very mild case with brief weakness to nearly devastating paralysis, leaving the person unable to breathe independently. Fortunately, most people eventually recover from even the most severe cases of GBS. After recovery, some people will continue to have some degree of weakness. Guillain-Barré syndrome can affect anyone.

L. C. began to design and test parts for his truck. Other racers took notice and started asking for parts for theirs. His reputation grew and it became clear this needed to be a business, not just a hobby! In 1985 LC Engineering officially started, it's a pretty cool story, read more about it [HERE](#).

"The best new vehicles make the best used vehicles," said GM spokesman Jim Cain. "The engineering and testing that GM engineers put into the structures, airbags and electronic safety systems pays dividends for the life of the vehicle, not just the first or second owner. It's important to give young drivers every advantage."
