Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The European Union is based on the rule
of law. This means that every action
taken by the EU is founded on treaties
that have been approved voluntarily and
democratically by all EU member
countries. For example, if a policy area is
not cited in a treaty, the Commission
cannot propose a law in that area.
