Start studying Forensic Science the basics Third Edition Chapter 1. Learn vocabulary, terms, and more with flashcards, games, and other study tools.

Forensic Science the basics Third Edition Chapter 1 ...

Forensic science can prove the guilt or innocence of a defendant in criminal law, and it can help resolve a broad spectrum of legal issues in civil actions through the identification, analysis, and evaluation of physical and other evidence. But an accurate forensic science definition extends beyond the traditional concept of science.
