I have used Eduwiser's books by Prof. K.C.Sinha for my KVPY, CBSE board and JEE preparations. The seperate CBSE and JEE sections made the books relavent for competative as well as board examinations. These books gave me deep insights into the subject and were the best self explanatory books available in the market based on new pattern.

A MORE precise title for this book would be 'Mathematical solutions of the diffusion equation', for it is with this aspect of the mathematics of diffusion that the book is mainly concerned. It deals with the description of diffusion processes in terms of solutions of the differential equation for diffusion.
