Please check for blockages in the drain hole. You can pour a small amount of hot water down the condensate channel. Please check the fridge door is closing firmly, the thermostat is not set to the maximum setting, and that no food items are touching the back wall of the fridge. If the issue persists, please request an engineer visit.

Lec Fridge/freezer. Have recently bought a Lec fridge/freezer to replace our old Lec fridge/freezer which we have been very happy with. This new Fridge/freezer is a cheaply made in the P.R.C. rebadged product. Quality and feel of the product is well below that which one would expect for the money.
