Bibliomania: Bibliomania gives readers over 2,000 free classics, including literature book notes, author bios, book summaries, and study guides. Free books are presented in chapter format.

Navitas Advanced Solutions Group

This passion to create the best battery systems is why we took two of our prior companies, MicroSun Innovative Energy Storage Solutions, and MicroSun Electronics and combined them with the acquisition of lithium battery company A123 Systems' Government Solutions Group to form Navitas Systems. When you look at the landscape of battery companies, on one end there are large cell manufacturers who are pushing their respective battery chemistry regardless of what the application is.
