So, the practice of yoga is an attempt at self-recognition in various degrees. It is not a contact in the sense of one thing impinging on another, but a self-awakening, by degrees, of the subject who has missed itself in the conglomeration of perceptions of objects which it has mistaken for realities.

## Awakening The **Intelligence of Body and ...**

The world of yoga is astonishingly rich in its array of schools and practices. Yet, as diverse as they seem, they share a common aim: the discovery of the essence of existence that can be found at the core of our being, and the liberation that comes from that discovery. With this worthy goal in mind, Richard Freeman
