Dyer has another term for the concept behind the Law of Attraction. He calls it the Power of Intention. His philosophy is pure and simple, "The law of attraction is this: You don't attract what you want. You attract what you are." "Most people's mistake in trying to apply the law of attraction is they want things; they demand things.

The Power of Intention - Wayne Dyer

The power of intention is the power of a focused mind. When focusing our mental energy on something, we're able to give more of our brain power to it. It's not magic or hocus-pocus, it's our own innate tool (the mind) being placed into the right position to perform at its maximum efficiency. Entire movies are based on this power, like Taken.
